### ...if you have a residence permit (Aufenthaltserlaubnis):

Please care about the renewal of your residence permit in time, before it expires! Right now, processing your application can take longer than usual!

1. In any case, keep your current residence permit with you! Do **not** throw it into the mailbox of the Bürgeramt!
2. Write a letter to the foreigner's office, and apply for renewal of your residence permit. There is no official form for it, but the letter should contain your name, birth date, address and the number of your current residence permit.
3. Afterwards you will receive a paper document from the foreigner's office („Fiktionsbescheinigung“). Together with this paper, your current residence permit will remain valid. Please **always** carry this paper and your current residence permit with you!

Right now it can take a longer time than usual, until you receive a „real“ new plastic ID-card from Berlin.

### ...if you want to apply for a residence permit \_\_for the first time\_\_:

If your asylum procedure was recently finished and the BAMF or a court has positively decided that

you now are allowed to stay in Germany for at least 3 years (refugee protection) or 1 year (subsidiary protection) for the first time:

1. Call the foreigner's office and ask for an appointment in order to file the application for a residence permit
  1. either the foreigner's office will tell you a date and time for visiting them
  2. or they will send you a form for this application, which you will have to fill out and send back to them

Right now it can take a longer time than usual, until you receive a „real“ plastic ID-card from Berlin.

⚠ You can get into financial trouble, if the granting of a residence permit takes too much time. Eventually you will stop receiving welfare money from the Landkreis, but at the same time you will not yet receive any money from the Jobcenter. In case of doubt: ask your social workers or local supporters ⚠

### **...if you want to apply for a special Duldung due to work or making an apprenticeship:**

If you really meet all the preconditions for such a special Duldung (e.g. „Ausbildungsduldung“ or „Beschäftigungsduldung“, you have to file the application by post to the foreigner's office (better do not simply put it into the mailbox there!))

## **What do you have to do in order to work, if you need the permission of the foreigner's office?**

You need:

1. a job description („Stellenbeschreibung“) by your future employer. Use this form by the Arbeitsagentur
2. a **DRAFT working contract**, i.e. without signatures yet!

You need to send both documents to the foreigner's office by post, together with a short letter saying that you apply for permission to work (exactly) for this company.

⚠ If you want to change jobs, the same procedure is necessary ⚠

## **What to do if you want to move out of Tübingen?**

1. Write a formal letter to the foreigner's office, in which you apply
  1. **if you already have a residence permit:** for „Aufhebung der Wohnsitzauflage“ (cancellation of the residence obligation)
  2. **If you have a Duldung or Aufenthaltsgestattung:** for „Umverteilung“ into another city or region.
