

# Money

As long as you are unemployed you are entitled to receive social welfare money, either from Landratsamt (Asylbewerberleistungen) or from Jobcenter. Both institutions cannot be visited personally at the moment.

## What do you have to do if you receive your social welfare money...

### ...already from the Jobcenter

- they will continue to pay the money by bank transfer to your bank account
- it is not possible to make appointments with the Jobcenter at the moment (neither with the Arbeitsagentur)
- If you want to ask a question to the Jobcenter, you can contact them by email to [Jobcenter-LK-Tuebingen@jobcenter-ge.de](mailto:Jobcenter-LK-Tuebingen@jobcenter-ge.de) oder call them on the phone:

Telefon: 07071 / 5652-0

### ... not yet from Jobcenter, but want to apply for social welfare money there again, or for the first time

- if for example you lose your current job, you have to inform the Jobcenter
- you will then have to file an application in order to receive social welfare money from Jobcenter
- you can send this application by Email to [Jobcenter-LK-Tuebingen@jobcenter-ge.de](mailto:Jobcenter-LK-Tuebingen@jobcenter-ge.de) or put it into the mailbox at their office building in written form
- Usually you would have to visit the Jobcenter in person for this. But as the office there is closed for the public, a written application is sufficient.

### ...from the Landratsamt, to your bank account

- the money will continue to be transferred to your bank account every month
- at the moment you are not obliged to visit the Landratsamt every month, in order to put your signature to prove that you are still present in Tübingen
- it is not necessary to file a new application if your previous „Leistungesbescheid“ expires. Money will continue to be transferred to you for the time being.

### ...in cash from Landratsamt

- at certain times, a window is open to the outside of the Landratsamt where you can receive your money in cash from the outside, without entering the building
- You should ask you social-worker when it is the best time to go there
- Or you can call the Hotline at Landratsamt and ask for a time slot for your visit:

Telefon: 07071 / 207-2002
